Its flexible layout and established facilities make it suitable for a wide range of uses, including a café or coffee house, lounge bar, food-led hospitality business, private-events venue, shisha-lounge concept or multi-purpose leisure operation, subject to the necessary planning, licensing and statutory consents.

The property provides approximately 2,058 sq ft of accommodation arranged over two floors. The ground floor contains the principal bar and customer area, a private side room, ancillary kitchen facilities and separate ladies' and gentlemen's toilets. The first floor provides a further function and leisure room, currently incorporating a pool table, together with an additional storage room.

The premises are offered as a substantially fitted hospitality, bar, food and leisure opportunity, allowing an incoming operator to establish trading with minimal initial fit-out, subject to agreement regarding the inventory, equipment and lease terms.
